At the mid-semester project proposal and upon project completion, each group member will evaluate every other member of the project team. The following rubric (left table) will be used in the assessment process. The additional expectations (right table) may be filled in and agreed upon by all group members, but will not be graded.

NOTE: Peer assessments may retroactively affect a student's grade for prior group deliverables. For example, if it is shown that a student did not appropriately contribute to the work of a milestone deliverable, the student will only receive a portion of the original group milestone grade, subject to instructor discretion based on available information.
